Places will be allocated in the order of the applications received. In case of a greater demand, a maximum of two or possibly only one representative per LAG will be able to attend. You will be informed accordingly by phone. Please note that applying for attendance therefore does not automatically guarantee participation. We inform you by mail or fax about your participation, immediately after the closing date.

For LEADER actors, attendance and meals during the meeting are free of charge. Expenses for travel and accommodation (incl. breakfast) must be paid by the participants. In case of cancellation after the closing date, or if failing to appear, any cost incurred for overnight stays incl. breakfast and meals within the framework of the meeting (per day) are to be paid by the participant. After the workshop all participants will receive a report giving a summary of the most important contents and conclusions of the meeting.
